WARREN & GLADYS Reece BRINGS YOU

This BIG FREE ISSUE To COMMEMORATE OUR

100th EDITION AND The

2ND ANNIVERSARY of The BYLINE WEEKLY

The BYLINE'S 100th Issue and Second Anniversary Edition

YOUR EDITOR SPEAKS: (Pardon the stutter!)

Hello, people. Our heartfelt thanks for the all-out cooperation we have received on this, our most important issue to date. Thanks to all the merchants who took space on our advertising pages, so that we could put this issue out. Without you--we couldn't have done it. Thanks to all of you who have had faith in us from the very start---two years ago---when we started out with thirty-six dollars worth of supplies, and a borrowed mimeograph machine. Thanks to all of you who have contributed news items, ads, notices, announcements, and so forth---so that we really could be the VOICE OF BRISBANE. That's what we started the whole thing for in the beginning---so that Brisbane could have her say! That's why we quit our job on the big Peninsula paper we were working for---and that's why we called ourselves the BYLINE. How many of you have actually been able to figure out what BYLINE means??? Well, in Journalistic language, it's the Utopia of all Cub Reporters. It's the "highest mountain" they can climb---their own BYLINE. That means--seeing their name given credit on an article they wrote. That's why we called it BYLINE---so YOU could drop in and leave a news item---an announcement---or whatever you might think of----and see at the bottom of it---"Submitted by-----". We invited local poets and short story writers to bring in their material--with no hope of monetary remuneration---but with the chance to actually see their work in PRINT, and followed by their very own BYLINE. Well, after two years, we're still here, and we're still in business---and we're still waiting to give YOU your BYLINE!

* * * * * * * * * * * * * * * *

Now---for some business at hand. This has been "unfinished business" for as long as some of you can remember. To INCORPORATE---or not to incorporate! As the VOICE OF BRISBANE--we cannot take sides in the issue---but we can print YOUR views on the subject. How about YOUR reasons for incorporation of Brisbane, Mr. Jones? And why don't YOU want to see Brisbane incorporated, Mrs. Smith? Let's have some views on the subject----just remember, the BYLINE can print it IF it leaves out personalities. In other words, Mrs. Smith---don't send something in which smokes and smoulders, and calls Mr. Jones names---see what we mean? But, if you have a bonafide reason why you think Brisbane should be left as it is--then by all means, send it in. On the other hand---if you want it changed, and would like to see Brisbane incorporated---then send it in. And those of you with statistics and figures on the subject---remember, IT PAYS TO ADVERTISE. You won't gain anything by sitting back and muttering in your own beard. So--get on the ball, Brisbane!----get off the dime----and let's see some action!

* *

About this issue. Have you noticed the nice clear-cut advertising pages? Well, these were LITHOGRAPHED. That's right--Lithographed--or, if you prefer, PHOTOGRAPHED. We worked long and hard on the original sheets---drawing in the ads with India Ink---so that they would photograph good and clear. Now--it's up to you advertisers---do we go on mimeographing your ads, or do we do it the MODERN way, with Lithographing? Let us know how you liked your ad in this issue---and let us know if you are interested in more of the same. Who knows? You may change our entire advertising policy. But--since the BYLINE is growing up--we feel we need a little room for a few changes. How about it?

* *

In regards to having the entire paper Lithographed---well, we don't know yet. Naturally, it's a little more expensive---but some of the nice samples of Lithographed newspapers we saw over at the PORTOLA PRESS made us feel left 'way back at the post! There was one little paper we saw which impressed us very much--in actual length and width, it was only half the size of the BYLINE--but---and here's the rub---IT WAS FULL OF PICTURES and PHOTOGRAPHS---and the Ad pages were something to see---some of them even in COLOR---and they stuck out like sore thumbs. When we looked through it, it made us very envious--because there on page two, was a picture of some of the residents of the town--in their Sunday best--lined up for a group photo. We thought of the many occasions here when a photo like that would have sold a mighty big bunch of papers! Made us feel a little "penny-wise and pound-foolish". What do YOU think? Should Brisbane have a better looking, cleaner, and more attractive paper? Would YOU advertise in it more often if it were LITHOGRAPHED instead of MIMEOGRAPHED? Take a look at the ads in this issue, and compare them with the ads in last week's issue---.WHAT DO YOU THINK?? Won't you help us decide? Thanks again for your faith in us-----YOUR EDITOR & STAFF.

OUR SINCEREST COMPLIMENTS TO THE BYLINE —

FROM THE GANG AT THE

FOUNTAIN OF YOUTH.

the BYLINE'S
100th Issue and Second Anniversary Edition

SEASON FOR BROKEN BONES & STRAINS:

Brisbane seems to be having an epidemic of broken bones and strained ligaments lately. Among the unfortunates are Margaret Tann--Mrs. Penrod---Ronnie King--Sylvia Cosby---and Leon Reece.

Mrs. Tann suffered pulled ligaments and tendons in her foot and leg when she took a bad fall one day last week. Mrs. Penrod is suffering a broken hip. Little Ronnie King broke the upper bone in the same arm which was broken last year. He is now at South San Francisco Hospital. We hear that Sylvia Cosby suffered bad bruises on one arm last weekend--and our youngest son Leon---is limping around with a badly sprained leg, due to a fall while at play.

There are probably more sprains, bruises, broken bones, and so forth, around now than at any other season--due, no doubt, to the sudden influx of gardening, hard playing, and out-door enjoyment, and the culprit is undoubtedly the spring weather we have been enjoying!

* *

VACATIONISTS:

Mrs. Alma Brooks, Brisbane Post-office employee has just returned to work after a week's vacation--spent wisely and thriftily at home.

Merle Van Kirk--also a Post-office employee, is now on his vacation--spent in Los Angeles--the traitor!

* *

BRISBANE RESIDENTS MOVE TO SAN MATEO:

Coming as a surprise to their many friends and neighbors here in Brisbane is the news that "Nick" and "Melody" Guico, formerly of 372 San Bruno Avenue, have moved to 108 42nd Avenue, in San Mateo. They will be glad to have their friends drop in on them at their new address.

BRISBANE WILL MISS YOU, KIDS!

* *

BYLINE TO START BULLETIN BOARD SERVICE:

Of interest to all clubs, lodges, churches, civic organizations, and others, is the fact that the BYLINE has decided to start a "clearing board" for announcements of meetings, etc. We will also be glad to publish meeting notices in our weekly editions---but we must have your cooperation. It has come to our attention that on several recent occasions, two or more important meetings have been scheduled on the same night. This makes for confusion, and for hurt feelings. As editor, I stopped attending meetings some time ago due to the fact that I received three invitations--all for one Wednesday night, last year. Rather than cause any resentment, I decided to stay away from all three, as I could not possibly attend all of them. And stemming from that, I had to stay away from most future meetings because I have met with rebuffs for showing up at one meeting; and not appearing at another. We imagine many local residents are in the "same boat"---and stay home, rather than have to make a choice between two or more meetings on any one night. Therefore, we feel that confusion could be eliminated if all regularly scheduled monthly or weekly meetings were posted---allowing the intermittent meetings to choose dates and times on which regular meetings are not scheduled.

If the secretaries, or authorized agents, of each church, social club, civic organization, etc., will get in touch with us, we will make known to the public exactly when your meeting is to be held. As soon as we can find a suitable board on which to post all notices, we will post all meeting-times---and will publish same on these pages. Please drop into the Byline office with your notice, (105 Visitacion)---or call DElaware 3-0233.

Thanking you for your cooperation, and reminding you that this is a PUBLIC SERVICE, for which there is no charge---

I am----- YOUR EDITOR.

Approximately 300 Brisbane residents have registered to vote in the past two months, according to Mrs. Helen Choslyn and Mr. Lester E. Bybee, local registrars.

"Never before, during my four years as registrar here has there been such a display of civic-mindedness," said Mrs. Choslyn, "I am sure that the efforts of the Brisbane P.T.A., in urging registration, did much to help."

Mrs. Frank King, citizenship chairman of the unit, recently had delivered to every home a notice urging registration of voters.

PLANS FOR "WESTERN DAYS" BEING LAID:

The Brisbane Lion's Club have announced that this year's Western Days celebration will be held in August, during the warmer season, instead of in June, the usual "Western Days" month, because of our (you should excuse the expression, and with apologies to the Chamber of Commerce) NASTY weather in June. (Now, just watch it be perfectly beautiful in JUNE, and cold in August, this year!)

Incidentally, your editor is trying her best to convince the Lion's Club that the celebration should be held on the MAIN STREET of town, instead of down at the Recreation Center. What do YOU think???

GAGGERO--(County Supervisor race)

BRISBANE P.T.A. INTERESTED IN REDWOODS:

What will be the recreation facilities for our children in adulthood? The only remaining stand of virgin redwood forest in San Mateo County is Butano Forest. Lumbering companies have given the state until July 1st to purchase the 1680 acre woodland tract. Individuals and organizations have the opportunity of helping this worthy cause. Whatever sum is donated will be matched by the state on a dollar for dollar basis. This is an excellent chance for local organizations to purchase a tree. For further information on this so important project, please call Mrs. E.R.Whitson, chairman, at JUniper 4-1900.

Recently elected president of the Butano Forest Associates was Ralph Shaw, superintendent of Recreation and Parks of San Mateo County. Mr. Shaw will speak at the April 24th meeting of the Brisbane P.T.A., at 8:00 p.m. An informative movie on Butano Forest will be shown.

MEET THE CANDIDATES MEETING SUCCESS:

Despite the fact that Brisbane has potentially 3000 eligible voters, an average of only 200 votes have been cast in each election during the past ten years!! This startling fact was contained in the report of Frank King at last Thursdays "Meet the Candidates" meeting.

Serving as moderator was Mrs. K. Darrel Woodon. The capable Mrs. Woodon took the place of King, who was absent because of an accident in the family.

A large crowd heard the speeces of Judge Thomas Bocci and Judge Charles Becker--candidates for Judge of the Municipal Court; and Thomas Callan and Lyman McGuffin, candidates for County Board of Supervisors. A lively question and answer period followed the 15 minute talks.

Citizenship Committeewomen were Mrs. Frank King, chairman, Mrs. John Bell, Mrs. Roy Edwards, Mrs. R.A.Lorentz, Mrs. Robert Spencer, and Mrs. K. Darrel Woodon.

Present to accomodate those who wished to register for voting was Mrs. Don Chaslyn, local registrar.

The meeting was opened with the singing of the National Anthem by Arthur Kennedy. He was accompanied on the piano by Mrs. Louis Duncan.

In arranging these meetings it is not the intentions of the Brisbane Parent-Teacher's Association to take sides on political issues, nor does it endorse the candidacy of any candidate. But Brisbanians should take careful note of Mr. King's astounding report and then REGISTER AND VOTE!

TRAILOR'S OCCUPANTS SHAKEN UP:

A South San Francisco man suffered a severe head cut early one morning last week, when his car struck another vehicle on Bayshore Highway at Brisbane, and sent it crashing into a house trailor in which a couple were asleep. According to the highway patrol, the man was driving south on Bayshore, and fell asleep at the wheel south of Brisbane. His car swerved to the right and struck a parked car belonging to Herbert S. Martin and his wife, who were asleep in their new house trailor immediately behind their car. The Martin car spun around and struck the trailer hitch. The Martins were rudely awakened but were not hurt. The accident took place in front of a trailer sales firm from which the Martins had bought the trailor the day before. They had intended to start on their vacation the day

----EDITORS NOTE:--in regards to those names above which are UNDERLINED --they are either home on leave, in the process of being transferred--or have failed to send me their new address. Those on leave and here at home are Don Casey, Don Robertson, Jack Zeraggen, Bob Glenn, and Stanley Tindall. They will send me their new addresses as soon as they learn where they will be stationed. In the case of Eddie Baron, Mansel Roland, and Will Hatch--they have already been transferred to new posts, but have not yet contacted us. We have included their names, as it is possible to write to them there, and have the mail forwarded.

And we have quite an imposing list of DISCHARGED veterans now--including: Merle Saylor (to return home in May)--Jim Crowley, Nick Guice, Chuck & Bill May, John Clancy, Don Apple, Curt Richards, Howard Green, George Estes, and Sonny Cossett. Among those who reported in on their way through--headed for elsewhere, are: James Rice; Gerald Gibson; Keith Johnson; (please send us their new addresses if you have them.) Donald Crowley is home, because of his mother's illness--but is still in uniform. Now--IS YOUR SON, BROTHER, HUSBAND OR FRIEND IN THE SERVICE? IS HE FROM BRISBANE? IS HIS NAME LISTED HERE? If not--won't you please get his name down here for our files, so that we can send him his free weekly copy of the BYLINE. Our address is 105 Visitacion Avenue. Brisbane---and our phone number is--- DElaware 3-0232!

That's all for this time. 'Bye!
